Student Assessment “ Ability To Benefit” Pre Exam

Name	Date
-------------	-------------

As part of the application process, CQES will make a vocational assessment to identify students' strengths and career potential and the ability to benefit from the process. Students' verbal, numerical, language & reading comprehension will be examined to further assist us with possible job placements. Please tell us if you have any previous Medication Management, caregiving or PCA experience.

	Professional Experience	No Experience
Check the box with the correct answer
