

# CQES did it again!

We are offering **NEW** classes  
and **NEW** schedules.

Saturday **July 10th** we will offer the **8 hour**  
Medication Management renewal **on campus** all in  
**ONE day and SAME day testing.**

Facilities who want the 8-hour ON SITE **training**  
**Medication Renewal** must call the office for scheduling.

(A minimum of 5 students required for on site training) **ENROLL AT: [CQES.ORG](http://CQES.ORG)**

## NEW Classes in July

**Option 1: Diabetic Training** - This virtual class will cover the basic understanding of Diabetes and how to take resident's vitals. There are no clinicals included in this option.

**Option 2: Diabetic Training** - This **virtual class and campus clinical training** **meets the new regulations** so facilities can begin **assisting residents** with insulin and taking vitals. Students begin by taking the virtual portion under **Option 2** and **then attending the clinical portion on campus at CQES with a Medical Professional.** They will perform and demonstrate the competency for the tasks described in accordance with NAC 49.2726, NRS 449.0304. **Register NOW at: [8hrmeds.com](http://8hrmeds.com)**

**Alzheimer's training NOW available** . **Easily** meet the state regulation of 2 hours required for new hires in Alzheimer's units. This virtual training is thorough and individuals will have a clear understanding of how to interact with residents who have different types of dementia. They will learn why behaviors occur and how to meet challenging behaviors correctly.
