

**Are you trying to take an ONLINE CLASS?
Direct Care Worker/ PCA or the Medication
Management 8hr REFRESHER? Here is how you start.**

1. Go to the website: careerpca.com or use 8hrmeds.com. Both these will take you to this website below
2. Register: You will create a USERNAME AND PASSWORD so write them down so you can LOG IN later.

3. Use your personal info not the company if you are working.
 4. Log In after you register then you can purchase the class using **CQES-All Course** link **OR** we will bill the company if we receive a voucher that they will pay, THEN we will give you access to start your course once you complete the Registration
 5. Complete the **Ability to Benefit** on All Courses page
 6. Once the class is purchased use the CQES-All Courses to START your class. There will be a blue button that says, START YOUR "PAID" CLASS. →
- Remember you must be logged in to the site.

Start your "PAID" CLASS
